impossible has spawned the
unthinkable. A near-future
military experiment has
thrust a US-led

multinational armada back
to 1942, right into the
middle of the naval task
force speeding towards

Midway Atoll-and what
was to be a spectacular
Allied triumph in the war in
the Pacific. Sat, 27 Oct

In the book's backstory, the

Chinese government was
planning to send a task

force but was warned by the
US government not to do

so. The flagship of the task
force is the aircraft carrier

USS Hillary Clinton, named
after "the most

uncompromising wartime
president in the history of
the United States". Tue, 30
