The story is told from a first-person point of

view, as were Ishiguro's two previous novels. The narrator, Stevens, a butler, recalls his life in the form of a diary; the action progresses from the mid-1930s through to the present (~ 1970). Much of the novel is concerned with Stevens' professional and, above all, personal relationship with a former colleague, the housekeeper, Miss Kenton. The Remains of the Day - Wikipedia -
